

## Presidential Search Announcement

On behalf of the Independence Community College Board of Trustees, I am announcing the launch of the College's 2026 Presidential Search. This important process will identify the next leader who will guide ICC forward in service to our students, our community, and our mission.

The Board will begin accepting applications for the position beginning **December 16, 2025**, through **January 16, 2026**. A **Presidential Search Committee**, composed of campus and community representatives, will be appointed and announced soon. This committee will play a central role in ensuring a transparent, inclusive, and comprehensive search.

Throughout the process, updates and related information will be posted on the **Presidential Search page** on the Independence Community College website.

The Board's goal is to identify and announce our next President by **June 30, 2026**.

Thank you for your ongoing support and commitment to Independence Community College. We look forward to engaging our campus and community partners as we begin this significant effort.
